

[WERRIBEE FOOTBALL CLUB SPONSORSHIP GUIDE 2022]

**WERRIBEE
FOOTBALL CLUB**

Following the premature conclusion of the VFL season in 2020, we were determined to make 2021 a successful year.

A new year presented exciting new opportunities with the expansion to a 22-team, three-state competition that included 14 AFL reserves teams. This brought its challenges, alongside the continued presence of COVID.

Though COVID ultimately compromised the VFL season once again, the Werribee Football Club experienced various successes, including:

- 2020 Senior Coach Mark Williams recruited to Melbourne FC as Development Coach
- Kye Declase recruited by Melbourne FC in the mid-season draft
- Our second greatest margin in club history; a 160pt victory over the Northern Bullants
- Best & Fairest winner Matt Hanson and ruck Matt Lobbe making the VFL Team of the Year
- Eleven AFL-listed players in 2021 were Werribee FC alumni.

Overall, we ended the incomplete season with a 5-4 record and a percentage of 147.5%.

We now look to 2022 with a strong list, headed by Michael Barlow, that is driven to succeed.

“The Werribee Football Club is a destination point for a myriad of people”

The Werribee Football Club prides itself on its relationships with the council, the business community and many varied community groups in the City of Wyndham.

It is one of the fastest growing cities in Australia, with a diverse mix of people from many different backgrounds. The Werribee Football Club embraces the opportunity to interact with the people of Wyndham, whether it is as a spectator enjoying a match-day kick on the ground, an Auskicker playing in a half-time game, a community group getting its first touch of a Sherrin or someone enjoying the hospitality of our pre-game function.

Our commitment includes a Community Development Manager and Diversity Officer who develops and runs a raft of programs presented free to schools, local sports clubs and organisations. Participation and healthy lifestyle choices are a focus, as many involved have no knowledge or history with Australian Rules football. We are the benchmark for community program innovation, delivery and engagement in the VFL.

The Werribee Football Club is a destination point for a myriad of people and a valuable partner and resource for your business. We are committed to maximising mutually beneficial opportunities and delivering outcomes that mean something to you and to us.

We have a range of affordable, exciting and adaptable partnership proposals involving a wide variety of traditional and new methods of gaining the greatest exposure for your brand, product and services.

Werribee FC prides itself on delivering programs to the local Wyndham community.

In 2021, despite the challenges of COVID, our Community Officers were able to still serve the people of Wyndham via clinics, school visits and charity initiatives.
